South Lyon Junior League

South Lyon Junior League:

On behalf of the South Lyon Community Schools Board of Education, I would like to thank South Lyon Junior League for its support of public schools and our district in particular. The generous gift of the replacement and upgrading of the backstop fencing for the baseball/softball field next to Nine Mile Road at Millennium Middle School is greatly appreciated. This is a gift that will be enjoyed by many students and community members during and after the school day for many years to come. Again, we so appreciate your partnership with our schools, and please share our sincere gratitude with the rest of your board members and families.

Sincerely,

Dr. William Pearson  
Superintendent
